

Coaches,

If you have any schedule or flight requests, we will do our best to accommodate them but you must note them in your online getsoccer application for the tournament. You will need to go to the "Requests" tab under this even (Jersey Shore Champions Cup) and provide your input in the Requests/Notes/etc. text box.

See below on where you should provide this input. This allows us to download a comprehensive list of the requests into one master spreadsheet to help accommodate the requests. Requests made through emails won't be possible due to time constraints so please make sure make your requests in getsoccer.

The screenshot shows the New Jersey Youth Soccer website interface. At the top, there is a navigation bar with links for Home, Events, Game History, Email Team, College Search, Help, and Log Out. Below this is a secondary navigation bar with links for My Events and Search Events. The main content area features a tabbed interface with the 'Requests' tab selected. The 'Requests' tab displays the following information:

- Jersey Shore Champions Cup 2014** (6/7/2014-6/8/2014)
- Boys U13 OCEAN TOWNSHIP UNITED SA SPARTANS (NJ)
- Scheduling exception requests may not be made at this time.
- No requests have been made.

There is a text box labeled 'Requests/Notes/Etc' with a 'Save' button. A black arrow points to this text box with the label 'Special Requests'. To the right of the text box is a 'Director's Comments' section, which currently shows '(none)'. Below the text box is a calendar for May 2014, with columns for Sun, Mon, Tue, Wed, Thu, Fri, and Sat. The calendar shows 'No Games' for all dates from 1 to 31. A legend at the bottom of the calendar indicates: Requested Exception Date (checked), Past Dates, Today, Upcoming Dates, and Dates Closed.
