

2021 Jersey Shore Champions Cup: Team Declaration

By signing this waiver, I certify that I have in my possession – and will do through the tournament – player passes issued by either US Club Soccer or US Youth Soccer for each player representing my team at this event. All players are carded with the same organization. I also certify I have a medical release form for each player, from the same organization through which they are carded. I will not substitute any players with anyone not listed on the tournament roster for the duration of the event. I understand that should I not fulfill these tournament requirements, I am releasing the Jersey Shore Tournament Champions Cup Organization and the OTUSA Soccer Club, its officers, partners and members from all liability.
